

COGNOSCO 2013

1. [Click here](#) to view the google spreadsheet containing the list of projects that will be featured in COGNOSCO 2013. It also has the links to the google documents in which the students have to submit their writeups about their projects. There is a separate tab in the spreadsheet for each subject - physics, chemistry, biology and interdisciplinary.

2. INSTRUCTIONS TO STUDENTS:

1. In the google spreadsheet which opens when you click on the above link, please click on the tab of the subject of your project (physics or chemistry or biology or interdisciplinary), and identify your project from the list of projects. Then, click on the link under "student writeup document link" column for your project, and enter the details about your project in the google document.

2. PLEASE DO NOT OPEN THE STUDENT WRITEUP DOCUMENT OF OTHER STUDENTS. YOU MAY EDIT OR DELETE THE CONTENTS OF OTHER STUDENTS BY MISTAKE. SO PLEASE OPEN ONLY YOUR PROJECT DOCUMENT.
